## Recycling Committee Minutes - 02/12/2008

### Hopkinton/Webster Recycling Committee Meeting Minutes February 12, 2008

Present: Katherine Mitchell, Mary Leadbeater, Debbie Augustine, Chris Lawless, Bob Lapree

The minutes from the January meeting were not available, so none approved.

Debbie gave an update on Pay-As-You-Throw in Bow. Representatives from several different town committees are working together and are moving forward quickly. They were provided with a copy of our PowerPoint presentation which they will modify and present to their Selectmen. Bow already has curbside pickup.

Chris gave an update on the Landfill Committee. Their next meeting is February 14<sup>th</sup>; Debbie and Katherine plan to attend to discuss accelerated fee schedule proposal.

Debbie will attend NRRA board meeting tomorrow to find out more about single stream recycling from the Solid Waste Cooperative's executive director, Jim Presher.

Various ways of promoting the compost bin sale were discussed.

Preparations for town meetings were discussed. We plan to have a table at School & Town Meetings and on Election Day. The recycling brochure will be updated, reprinted and handed out; compost bin order forms and information will be available and samples displayed to help promote sales. Debbie will update the posters from the Greener Hopkinton EcoFair to display. We want to have recycling bins available for paper and bottle & cans at the meetings – Debbie will check with the school to ensure enough bins are available. Katherine will ask the Moderators to make an announcement to encourage their use.

The meeting adjourned at 8:30pm

Respectfully submitted,  
Mary Leadbeater
